## Canoe Expeditions

For the truly adventurous. Experience the Maine wilderness like voyagers did centuries ago. You'll paddle a Maine made Old Town canoe through the streams and byways by day and camp on the islands at night.

These trips offer a truly unique outdoors experience when bookended with cabin rentals - **\$200 per day per person.** Single & Multi-day trips available. Prior notice requested for overnight trips.

## How do we pay our guides or order a shore lunch?

You'll pay your guide directly. Cash payments are the standard, guides aren't equipped to accept credit card payments in our remote environment.

Guides are paid daily; tips are usually \$25.00 per person, per day. If you'd like to tip your guide more for truly exceptional service, they will not argue with you! (If you catch fish, no additional charge!)

Every guided trip, regardless of activity, offers the shore lunch option for two, plus your guide for \$35. Please be sure to let Lead Guide Joe Jack know if you want a cooked shore lunch for your party at least one day in advance.

If you're interested in loaner fishing equipment, all we ask is that you respect the gear and return it at the end of your fishing adventure. Please let Lead Guide Joe Jack know at least one day before your anticipated fishing trip so he can arrange your gear and guide.
